

# Aluminium

Sharing a vision.

08 – 10 October 2024  
Exhibition Center Düsseldorf, Germany

# INNOVATION PLAZA SUSTAINABILITY & RECYCLING.

The Plaza covers the following topics:  
The sustainable transformation of the aluminium industry including innovations and best recycling practices to create sustainable product lifecycles.

Present your  
company,  
products and  
innovations in a  
dedicated space  
with your industry  
peers.

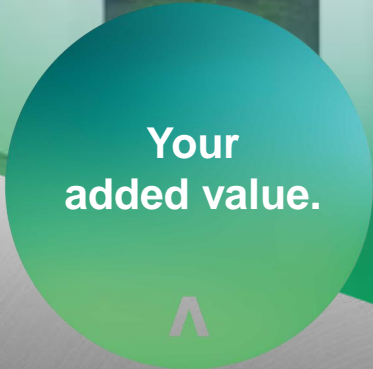

**A must for exhibitors belonging to the suppliers and players in the aluminium recycling industry.**

- Recycling technologies
- Sorting plants
- Technologies in energy efficiency
- Crushing plants
- Briquetting plants
- Remelting plants
- Furnace technology
- Secondary aluminium supplier
- Scrap dealers
- Environmental technology (air filter systems, oil extraction, etc.)

# INNOVATION PLAZA SUSTAINABILITY & RECYCLING.
